Job / Task Assessed:	Pandemic Outbreak – COVID-19	Area:	Tier 4 – Fulstone	Assessor:	Kerrie Lang
Person assessed (if any):	Clients/staff members	Date:	6/7/20	Job Number:	N/A

Hazard <i>What is the potential for harm?</i>	Hazardous Event <i>How could the harm be realised?</i>	Risk Assessment			Who is Affected	Controls Measures <i>What are the current controls? How can the risk be reduced further?</i>	Residual Risk Rating
		Likelihood (A)	Harm (B)	Risk Rating (C)			
Preventing the spread of COVID-19	Employee being exposed to the virus and spreading it further	3	3	9	Staff and their families.	<p>There are general principles anyone can follow to help prevent the spread of respiratory viruses, including:</p> <ul style="list-style-type: none"> washing your hands often - with soap and water, or use alcohol sanitiser that contains at least 60% alcohol if handwashing facilities are not available - this is particularly important after taking public transport. Guidance is available on hand washing covering your cough or sneeze with a tissue, then throwing the tissue in a bin. See Catch It, Bin It, Kill It If any staff member or members of their house hold are displaying any COVID-19 related symptoms they should inform their line manager and not come into work. Symptoms include; <ul style="list-style-type: none"> Cough or sore throat Shortness of breath or difficulty breathing Fever Repeated shaking with chills Muscle pain 	5

					<p>colleague, please call NHS 111. They should not go to their GP or other healthcare environment</p> <p>To enable the continuation of services staff should follow all guidance on working safely https://www.gov.uk/government/publications/staying-alert-and-safe-social-distancing.</p> <p>Where a safe 2 meter distance can not be kept staff have been provided with PPE. All staff have confirmed that PPE training has been completed and understood.</p> <p>Following a review, the Prime Minister has also set out that where it is not possible to stay two metres apart, guidance will allow people to keep a social distance of 'one metre plus'. This means staying one metre apart, plus mitigations which reduce the risk of transmission.</p> <p>https://www.gov.uk/government/publications/covid-19-how-to-work-safely-in-care-homes/covid-19-putting-on-and-removing-ppe-a-guide-for-care-homes-video</p>
